[in](https://www.linkedin.com/in/aakash-nyupane-4bb97031a) @ linkedin.com/in/aakash-nyupane-4bb97031a

Creative and adaptable individual with skills in graphic design, video editing, and content creation. Background in IT with a Diploma in Computer Engineering and PTE certification. Passionate about technology, cybersecurity, and innovative digital media projects, with a strong ability to learn quickly and work independently.

## EXPERIENCE

---

### OJT (On the Job Training)

Lalitpur/Satyawati-6, Johang

PAnil Tech/ Saraswati Secondary School

Sep, 2021 - Dec, 2023

I have completed a total of 12 months of On-the-Job Training (OJT) in multiple phases: 3 months after Grade 10, 3 months after Grade 11, and 6 months after Grade 12. Gained hands-on experience in front-end development, beginner-level C# Windows application development, and beginner-level mobile application development. Training conducted at my own school and Panil Tech, applying practical skills to real-world projects.

### Voluntary Teacher

Satyawati-6, Johang Gulmi

Shree Saraswati Secondary School

Oct, 2023 - Jan, 2024

I am an intermediate educator skilled in lesson planning, student engagement, and fostering a positive learning environment to support diverse learner needs.

## EDUCATION

---

### SEE

Satyawati-6, Johang Gulmi

Shree Saraswati Secondary School

Apr, 2017 - Jul, 2021

I have completed my SEE (School Education Examination) in IT with 3.84 G.P.A.

### SLC

Satyawati-6, Johang Gulmi

Shree Saraswati Secondary School

Sep, 2021 - Jul, 2023

I have completed my SLC (School Leaving Certificate) also equivalent to Diploma in Computer Engineering with 3.39 G.P.A.

## PROJECTS

---

### Portfolio Website

I have designed and developed my own portfolio website and also hosted that.

<https://www.neupaneakash.com.np/>

### Mobile / Window Application

Entry-level experience in mobile and Windows application development using Visual Studio Code and Android Studio. Developed basic projects such as Hostel Mess Management and Result Management System as part of academic coursework.

### Graphic Design

Created diverse graphic design projects including logos, posters, and social media visuals using industry-standard tools, focusing on creativity and effective communication.

<https://www.behance.net/akashneupane5>

## ACHIEVEMENTS

---

### Completed technical training, graphic design practice, and earned PTE certification

I have gained practical experience through phased OJT at my school and Panil Tech, developing projects like Hostel Mess and Result Management Systems using Visual Studio Code and Android Studio. Also trained in graphic design and successfully passed the PTE exam, demonstrating strong language and communication skills.
